

PRIVACY POLICY FOR STICK!

This privacy policy governs your use of the software application (“Stick!”) for mobile devices that was created by the ATLAS lab. Stick! is an educational tool designed to support students during their studying. Features include a calendar, a timer, course management, a study tactic library, goal setting, and progress charts. Primary use of the app will be to use a timer to track and rate study sessions. Analytics of the study session length and rating will be provided in the progress chart feature. Users will also be able to read about effective study tactics in the library feature, as well as organize their academic schedules by entering deadlines and other course information in the calendar and course features.

What information does the Application obtain and how is it used?

User Provided Information

The Application obtains the information you provide when you download and register the Application. Registration with us is mandatory.

When you register with us and use the Application, you generally provide (a) your name, McGill email address, and password.

We may also use the information you provided us to contact you from time to time to provide you with important information, such as required notices and app updates.

Automatically Collected Information

In addition, the Application may collect certain information automatically, including, but not limited to, the type of mobile device you use, your mobile devices unique device ID, the IP address of your mobile device, your mobile operating system, the type of mobile Internet browsers you use, and information about the way you use the Application.

Does the Application collect precise real time location information of the device?

This Application does not collect precise information about the location of your mobile device.

Do third parties see and/or have access to information obtained by the Application?

Only aggregated, anonymized data is periodically transmitted to external services to help us improve the Application and our service. We will share your information with third parties only in the ways that are described in this privacy statement.

We may disclose User Provided and Automatically Collected Information:

- as required by law, such as to comply with a subpoena, or similar legal process;
- when we believe in good faith that disclosure is necessary to protect our rights, protect your safety or the safety of others, investigate fraud, or respond to a government request;
- with our trusted services providers who work on our behalf, do not have an independent use of the information we disclose to them, and have agreed to adhere to the rules set forth in this privacy statement.
- if is involved in a merger, acquisition, or sale of all or a portion of its assets, you will be notified via email and/or a prominent notice on our Web site of any change in ownership or uses of this information, as well as any choices you may have regarding this information.

What are my opt-out rights?

You can stop all collection of information by the Application easily by uninstalling the Application. You may use the standard uninstall processes as may be available as part of your mobile device or via the mobile application marketplace or network. You can also request to opt-out via email, at studyappstudy@gmail.com.

Data Retention Policy, Managing Your Information

We will retain User Provided data for as long as you use the Application and for a reasonable time thereafter. We will retain Automatically Collected information for up to and thereafter may store it in aggregate. If you'd like us to delete User Provided Data that you have provided via the Application, please contact us at studyappstudy@gmail.com and we will respond in a reasonable time. Please note that some or all of the User Provided Data may be required in order for the Application to function properly.

Children

We do not use Stick! to knowingly solicit data from or market to children under the age of 13. If a parent or guardian becomes aware that his or her child has provided us with information without their consent, he or she should contact us at studyappstudy@gmail.com. We will delete such information from our files within a reasonable time.

Security

We are concerned about safeguarding the confidentiality of your information. We provide physical, electronic, and procedural safeguards to protect information we process and maintain. For example, we limit access to this information to authorized employees and contractors who need to know that information in order to operate, develop or improve Stick!. Please be aware that, although we endeavor provide reasonable security for information we process and maintain, no security system can prevent all potential security breaches.

Changes

This Privacy Policy may be updated from time to time for any reason. We will notify you of any changes to our Privacy Policy by posting the new Privacy Policy at <http://leadspartnership.ca/students/studentledresearch/privacypolicy/> and by emailing you. You are advised to consult this Privacy Policy regularly for any changes, as continued use is deemed approval of all changes.

Your Consent

By using Stick!, you are consenting to our processing of your information as set forth in this Privacy Policy now and as amended by us. "Processing," means using cookies on a computer/hand held device or using or touching information in any way, including, but not limited to, collecting, storing, deleting, using, combining and disclosing information, all of which activities will take place in Canada. If you reside outside Canada your information will be transferred, processed and stored there under Canada's privacy standards.

Contact us

If you have any questions regarding privacy while using Stick!, or have questions about our practices, please contact us via email at studyappstudy@gmail.com.
